TURN YOU

CH10

Two weeks is too long.

ha ha ha
Calm down, 'm too tired right now for all this affection.

You know you're physically starved of affection.
Sure you're not talking about yourself?

God that was a long drive.

So where's this cute dog that you've been sending me a shit ton of pictures?

Here's the thing. I woke up one day, and he was just, gone.
No idea how he got out.

You didn't leave the door open one night and just forgot?

At least, I don't think I did.

These past two weeks have been so dysfunctional...

Well as they say, if you love something, let it go. If it comes back to you, it's yours forever.

He really helped with Zeich's monthly freakout, though.

Speaking of monsters, Halloween's coming up.

Yeah! I should break out the costumes.

Nah, I'm thinking about doing something different than our normal costumes.

But we always do Halloween in those suits.

That was one of my best suits.

Yeah, but how many times can I wear my shark boy without people giving him weird looks?

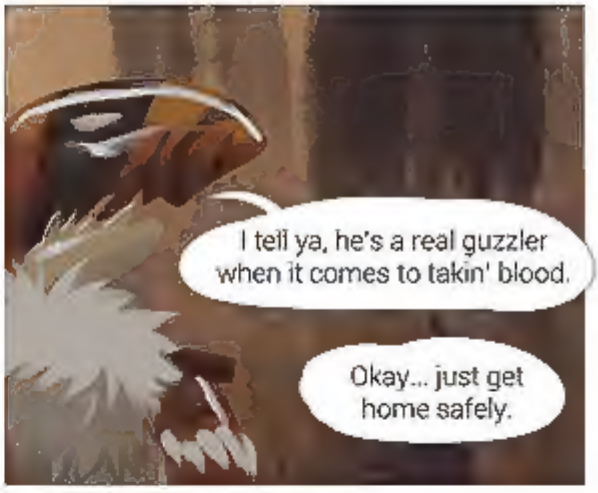
And you can wear Zeich out without people thinking you're weird, too!

But I really liked those suits...
Why not recycle some of the materials from those and use it with Zeich?
SOULS of the DAMNED
SOULS of the DAMNED
It is time to hunt down the children and sacrifice them to King Diabetus.

Awww look at the kitty!
NOOOOOO I'm not a kitty!!!

I will EAT you!
Bahaha stop, that tickles!
SOULS OF the DAMNED
Candy's here, guys.
You do so well with kids.
Yeah? Woulda loved the same thing as a kid.
By the way, have you noticed that there's no full moon out?
Every Halloween we've had had one.
It's a black moon, or a new moon occuring twice in one month.
Kinda disappointing on a night like Halloween.
I guess it's a good thing right now...

LATER
Hey uh, I'm gonna take off early. Walking around in this suit can be really draining.



I tell ya, he's a real guzzler when it comes to takin' blood.
Okay... just get home safely.

All these people wearing 'costumes'... It is quite unsettling.
You're seriously scared of these silly kid costumes?
To me, they're potential threats. You are used to it, but I must constantly be on guard for anything that may attack.
You're in luck. Halloween has a curfew and it's nearly over.

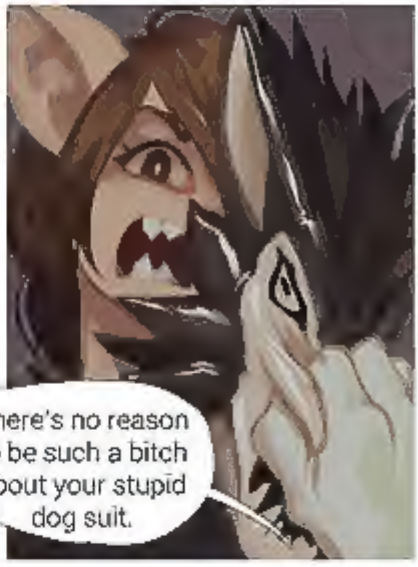
Lemme rest my feet for a bit. We got a long walk home.

Don't fall asleep, Ella.
Shuffle Shuffle
Mmm, yeah, just past my bed time.
yawn

Is that one of those living suits?
Yeah?
I've been looking for one of these since forever! I can't believe I'm seeing one in person.
I--
This is going to sound weird, but can I wear it?
Just once?
I'll pay you.
C'mon, please, just once?
Uhhh, no thanks?
That's really freakin' weird.
I don't like this person.

Why? What's weird about sharing clothes? What's weirder than you wearing a fuckin' sex suit?

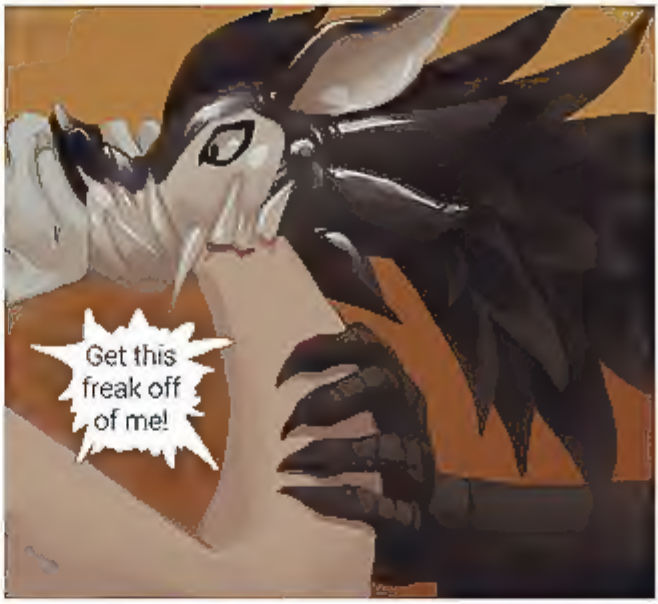
Excuse me?!



There's no reason to be such a bitch about your stupid dog suit.

CLAMP

AAGGHHH GFUCKK!!!



Get this freak off of me!

Zeich! Let go!

Look what you did to my fuckin' hand!

The hell s wrong w th you?
We are exclusive.
F ck you freaks
Zeich?
s everyth ng a right? heard
Oh god, what have we done?

Zeich, what the hell was that about!

She was attacking us.

You do NOT hurt people like that!

You tell me not to defend us when she was hurting us.

Grabbing like that hurts, Ella.

Why is it that every time I wear you nowadays something bad happens!

I would have eaten her hand if you'd let me.

What the fuck Zeich

This shit didn't happen before you started doing that weird freakin' monster thing every month!

Is she talking to herself?

Your lack of control really freaks me out Zeich.

And I don't think I'm ready to commit if that's what's gonna happen every time I wear you now.

Dogs that attack humans are often euthanized. If there were laws for things like you, what would happen to you?

He'd be taken away They d probably melt him down

I don't want him taken away from me

Go to sleep, Zeich

Please stop whimpering

You're making this harder than it needs to be

2 WEEKS LATER
Ella
Tap
Ella
Tap Tap
How are you still awake after so long?
Wouldn't you have run out of blood by now?
No, before that, a long time ago. It was raining.
Why?
No
I don't want to go back to sleep.
No
Ella, do you remember when you wore me outside, without hiding me?
Halloween?
I don't mean to hurt people.
I don't want to hurt people.

It feels like every time I wear you now, I lose control in some way

You don't have to have control at all.

You're not making sense

We can go to a place where there are no humans to risk hurting.

I can take over. I want to be free. I want to be your senses.

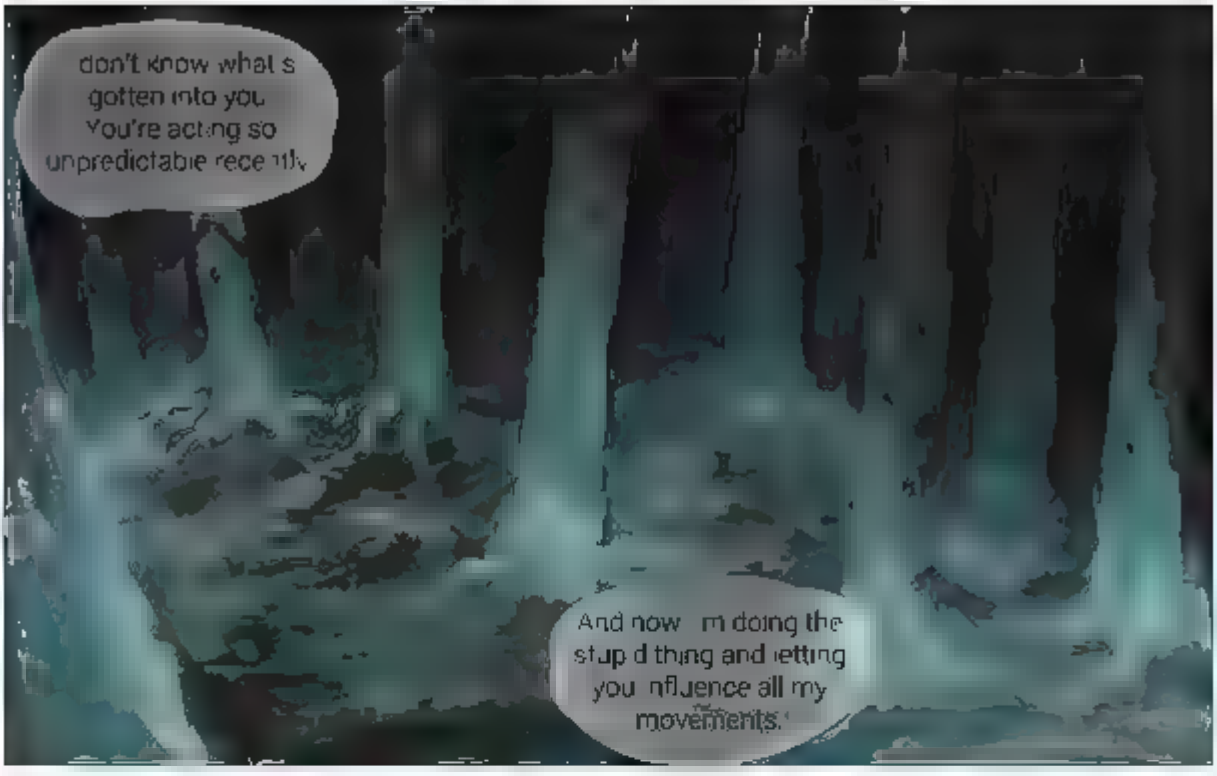
Like being myself

Are you not yourself when you are with me?

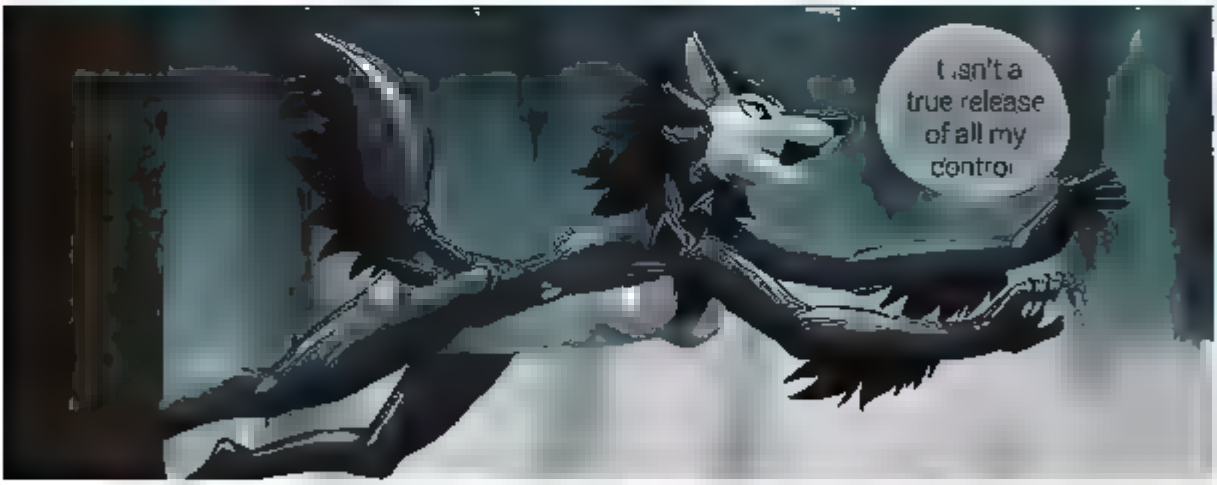
Without you, I am incomplete. You are my entire world.

Together, we are freedom.

You promise not to screw up this time?
Don't screw us up this time
Don't make a fool out of me



don't know what s gotten into you You're acting so unpredictable rece ntly
And now m doing the stup d thing and letting you nfluence all my movements.



t sn't a true release of all my contro

Food.
What?
No--we are not eating a dead deer.
Deer?

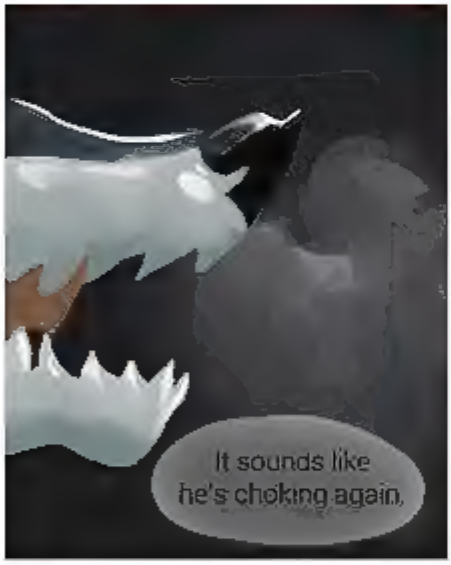
Growl

Zeich? What's wrong?
He's gotten all stiff.



It sounds like he's choking again.

HUFF

Zeich, speak to me.
Talk about it later. Should enjoy the rest of this night.

Ass crack of dawn
I'll take y'off later.
Night.
Scritch
Oh.
That was wild. I've not been out in the forest at night before.
You trusted me to keep you safe despite that.
Yeah I guess.

Wait. Are you always awake when I'm wearing you?
No. But I was too troubled to rest.
Please don't take me off.
I gotta go to the bathroom.
...okay. But I want to stay. Being worn is like being alive again.
What do you mean?
The wolf eating the deer, it made me remember how I got into this situation.
Memories I did not think I'd gain back.
My body was taken from me.
The skin separated from the meat.
You're the only thing making me feel normal and alive again.
